Screenshots:

This screenshot shows the 'Vaccine Info' form with the following fields and options:

- Vaccine Type***: A dropdown menu with the option '-Select-'.
- Date ***: A date input field showing '10/06/2021' with a calendar icon.
- Dose***: A dropdown menu with the option '-Select-'.
- Certificate**: A section with a 'Choose File' button, the text 'No file chosen', and a '+ Download from CoWin Portal' button.
- Save**: A green button at the bottom of the form.

The sidebar and header are identical to the first screenshot. The 'Ask smHRty' button is also present in the bottom right corner.

Below is the process of downloading certificate directly from CoWin

1. On Clicking Button Popup will come where employee need to enter registered Mobile Number
2. Mobile number will be prefilled as per data available in pocket, employee can modify if incorrect
3. On clicking Next, OTP will generate user need to enter the same and once OTP is confirmed
4. Employee need to add Beneficiary code received during vaccination process
5. Once entered certificate will be automatically attach in this form

Note: Once form is filled it will go for Approval, Process and approval will be same as Family details

HR Dashboard (Cloud Login):

Date wise vaccination

- HR can view date wise/week wise/ month wise vaccination data
- Each line indicates different vaccines

Vaccination Done
